Care to Share

Here's how our "Care to Share" referral program works

Step 1: Think of a friend or family member who you would like to be a part of the CFA family. Think of someone who could benefit from participating in one of our many programs.

Step 2: Complete the Intake Form below.

Step 3: Give the completed form to one of our Team members. Your friend and/or family member's information will be entered into our database and will then receive our mailings.

Step 4: Our administrative staff will start a file for this family.
When this family registers for any program, **YOU** will receive a **\$10 gift certificate**.

Thank you for your support and participation in this very special program.
