Have You Met Miss Maria?

Miss Maria has been a teacher's assistant here at CFA for the past 7 years! We asked her a few questions to find out . . .

. . . Some fun facts about Miss Maria!

What is your favorite time of year?

The summer because each year my family plans a big summer vacation! I love spending time with my kids every day, just relaxing and enjoying the nice weather.

Do you have children?

Yes! I have two sweet, caring kids; Brandon, who is 12 years old and Marissa, who is 10 years old.

What do you like to do on your days off?

I am a shopaholic! Shopping is my way of relaxing! I am also an avid scrapbooker!

Why are you a teacher?

Because I enjoy watching kids take new information that is given to them and then watch them apply it to their work. It is so rewarding to see them grow academically from the beginning of the school year to the end.

What do you like most about teaching?

I just love being around children - They make me laugh!

What is your favorite food?

Everything Italian! Both my parents were born in Italy and I grew up eating Italian and nothing else! :))
