

# About Our Preschool

Our preschool programs provide emotional, physical and educational growth and development of our young students in a friendly, nurturing and safe learning environment. Our carefully planned programs focus on:

- Encouragement and support of your child's ability to question, think and problem solve
- The introduction and practice of early reading skills including phonics and sight reading using a multisensory approach
- The use of the Handwriting Without Tears program to simplify and maximize your child's early handwriting skills.
- Socialization, communication and self esteem
- Exploration and creation through hands-on activities and educational field trips

The activities presented throughout the curricula focus on particular themes, introduction of various concepts and include many subject areas: reading, social studies, math, science and physical education.

The themes presented have been selected for their relevance as well as interest to each specific age group. Participation in the various activities allows children to understand and retain the newly discovered information.

Themes within our programs include but are not limited to the following:

- All about me and family
- Letters and numbers
- Colors and shapes
- Community helpers
- Cultures of the world
- Computers
- Cooking and foods
- Health and nutrition
- The weather, seasons & holidays
- Animals and plants

4 year old program information on the back.

## Enrollment Information

- Our preschool follows the Smithtown School District calendar.
- To qualify for enrollment, your child must be the required age for their program by December 1st of the school year.
- A copy of your child's birth certificate must be submitted at the time of registration.
- CFA is a peanut-free zone! No snacks containing peanuts, peanut oil or peanut butter will be served without prior approval. We ask that parents adhere to this policy when bringing in treats for special occasions such as birthdays.
- Upon registration, we require that families complete our Family Contact & Emergency Form, especially noting any allergies.
- Toilet training is not required though we strongly encourage that your child be introduced to the idea. We also want you to know that our staff will work with you and your child to support the progress being made.
- CFA offers 2 payment plans for your convenience: monthly coupon payment book *or* automatic credit card deduction.

## Our Mission

Our purpose— our mission— is to empower families so they can more effectively be stable and secure sources of health, well being and fun.

Further, as a professional team, our purpose is to provide quality programs, community referrals and an opportunity for parents to network. This allows our clients to enhance and to support with certainty their families' health and well being.

We take pride in the partnerships we form with our clients to accomplish our combined objectives. We honor these partnerships as the foundation for the service we provide and depend on them for our mutual growth.

Our professional, experienced team will see that your child has the opportunity to grow and learn in a well supervised, supportive setting with sensitivity and patience.

Children will be encouraged to participate in all the interactive centers we have available in the classroom. These centers include our reading corner, computer center, arts and crafts, blocks and puzzles, creative play the outdoor playground.

We will provide each child with a comfortable, welcoming environment where they will have plenty of hands on learning experiences, be exposed to many new activities, sing new songs, play new games, interact socially with the other children and have lots of fun!!

Where your child  
will shine...
