MONTHLY NEWSLETTER MARCH 2018 HIGHLIGHTS

Preschoolers Loved Learning & Celebrating in March!

Our preschoolers enjoyed so many fun and imaginative projects, activities and celebrations all throughout the month of March!

St. Patrick's day celebrations, complete with green bagels, visits from mischievous leprechauns and fun parties, Dr. Seuss's birthday celebration, pajama, ice cream and pancake parties and festive and colorful spring parties kept us all busy and happy!

The children enjoyed showing their flags and sharing their heritage during our Heritage Unit. They enjoyed a rainbow science experiment using warm water and skittles, learned new letters, numbers, sight words and much more, making March a fun and learning-filled month!

We all are looking forward to April and reaching our 100th day of school!

The Very Merry Month Of March!

Our Sweet Two Year Olds Enjoyed March School Days Too!
